

Horizon Singapore Fixed Income Enhanced Fund

Fund Description

The Fund aims to provide income and capital growth by investing primarily in money market and fixed income instruments in Singapore which provide income (which shall be reinvested at the present moment) and capital growth. The Fund may also invest in money market and fixed income instruments outside of Singapore. From 15 March 2008, we will no longer be accepting CPF monies for subscriptions into the Fund.

* Cash is included in the calculation of the average portfolio credit rating and is rated as AAA regardless of currencies held. The credit ratings of the underlying fixed income securities are determined by S&P or Moody's, and where official credit ratings are unavailable, Nikko AM Asia's internal credit ratings are used.

The CPF interest rate for the Ordinary Account ("OA") is based on the 12-month fixed deposit and month-end savings rates of major local banks, subject to a minimum 2.5% interest per annum. The interest rate for Special, Medisave and Retirement Accounts ("SMRA") is pegged to the 12-month average yield of 10-year Singapore Government Securities plus 1%. A 4% floor rate will be maintained for interest earned on SMRA until 31 December 2018, after which a 2.5% minimum rate will apply. An extra 1% interest is paid on the first S\$60,000 of a member's combined balances, including up to S\$20,000 in the OA. The first S\$20,000 in the OA and the first S\$40,000 in the Special Account ("SA") cannot be invested under the CPF Investment Scheme ("CPFIS").
