

NIKKO AM SHENTON INCOME FUND

March 2025 Factsheet

Investment Objective

With effect from 2 January 2013, the investment objective of the Fund is to provide regular income distributions while seeking to achieve returns in excess of 4% per annum over the medium to long term. The Fund will invest in a portfolio of bonds, money market instruments and currencies both in Singapore and in other global markets, taking into consideration the need for capital preservation. The assets of the Fund are invested in 4 categories of fixed income instruments: investment grade bonds, noninvestment grade bonds, local currency denominated bonds and convertible bonds, that are primarily issued by governments and corporations within the Asia Pacific region.

The Fund is actively managed to capture swings in interest rate and currency trends. The Managers may invest any portion of the assets in the Fund as they see fit into Nikko AM Asia Investment Funds – Nikko AM Shenton Asia Bond Fund at their absolute discretion to achieve its investment objective. Nikko AM Asia Investment Funds – Nikko AM Shenton Asia Bond Fund is also managed by the Managers.

² Weighted Average Yield to Maturity (%) is an average yield calculated by weighting each security presently held by the Fund at time of calculation with capitalisation and duration. Yield to Maturity and Yield to Call measures are used in the calculation for non-callable and callable bonds respectively. The figure is for reference only and would vary from time to time due to market conditions and it does not represent the fund/sub-fund's distribution yield or actual rate of return.

³ Weighted Average Duration (years) is an average duration weighted with capitalisation, and the figure is for reference only and would vary from time to time due to market conditions.

⁴ Cash is included in the calculation of the average credit rating and is rated as AAA regardless of currencies held. The credit ratings of the underlying fixed income securities are determined by S&P and/or Moody's, and where official credit ratings are unavailable, Nikko AM Asia's internal credit ratings are used.
