Investment Strategy	
<ul style="list-style-type: none"> The Sub-Fund will be managed on a total return basis, seeking returns from both capital appreciation and income received, and will invest in a diversified range of assets and markets globally. To achieve its investment objective, the Sub-Fund will invest directly in listed equities, fixed income securities and REITs. The Sub-Fund may also invest in CIS, including ETFs. The Sub-Fund may also invest in FDIs for the purposes of hedging, efficient portfolio management and/or optimising returns. To achieve global diversification for the portfolio, the Managers may appoint investment advisor(s) for their expertise in asset allocation, security selection, portfolio construction, and/or market updates in their respective domains of specialization. 	Refer to Section VI of the Prospectus for further information on the investment strategy of the Sub-Fund.
Parties Involved	
WHO ARE YOU INVESTING WITH? <ul style="list-style-type: none"> The Manager is Nikko Asset Management Asia Limited and the Trustee is BNP Paribas Trust Services Singapore Limited. The Sub-Fund is a sub-fund of the umbrella unit trust called the Nikko AM Asia Umbrella Funds. The Custodian is BNP Paribas, acting through its Singapore Branch. 	Refer to Section II, Section III and the Appendix of the Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT? You should be aware that the price of Units can go down as well as up. The value of the product and its dividends or coupons may rise or fall. The following are key risk factors that may cause you to lose some or all of your investment:	Refer to Section X of the Prospectus for further information on risks of the product.
Market and Credit Risks	
<ul style="list-style-type: none"> You are exposed to market risk. The price of the securities comprised in the portfolio of the Sub-Fund and the Units, and the income from them, may be influenced by political and economic conditions, changes in interest rates, earnings of the corporations whose securities are comprised in the portfolio, and the market's perception of the securities. You are exposed to interest rate risk and credit risk. Investments in debt securities are subject to interest rate fluctuations and credit risks and are subject to adverse changes in general economic conditions, the financial condition of the issuer, or both, or an unanticipated rise in interest rates. You are exposed to foreign currency risk. As the assets of the Sub-Fund may be directly or indirectly invested in listed equities, fixed income securities, REITs, as well as CIS globally (which are denominated in various currencies), any appreciation of the SGD, USD or RMB against the relevant currencies may have a negative effect on the value of the Units of the relevant Classes. 	
Liquidity Risks	
<ul style="list-style-type: none"> The Sub-Fund is not listed and you can redeem only on Dealing Days 	
Product-Specific Risks	
<ul style="list-style-type: none"> You are exposed to emerging market risk. The Sub-Fund may invest in emerging markets securities which are generally more volatile than those of developed countries, with the result that Units may be subject to greater price volatility. 	

<ul style="list-style-type: none">• You are exposed to equity risk. The Sub-Fund may invest in stocks and other equity securities, which are subject to market risks and are generally more volatile than investment-grade fixed income securities. The Units may therefore be subject to greater price volatility.• You are exposed to the risk associated with the investment strategy of the underlying CIS. The performance of the Sub-Fund is subject to the performance of the underlying CIS and the proportion of the Sub-Fund's assets allocated to such underlying CIS.• You are exposed to financial derivatives risk. The Manager may in its absolute discretion, invest in FDIs for the purposes of hedging, efficient portfolio management and/or optimising returns. While the prudent and judicious use of derivatives can be beneficial, derivatives involve risks different from, and in some cases, greater than, the risks presented by more traditional investments.• You are exposed to risks of investing into the mainland China onshore market via Bond Connect. The Sub-Fund may invest in the mainland China interbank bond markets via Bond Connect. In addition to the risks associated with the Chinese market and risks related to investments in RMB, investments via Bond Connect are subject to additional risks such as market volatility and liquidity risk, settlement, clearing and custody risk, operational risk, regulatory risk and mainland tax considerations.• You are exposed to Stock Connect risk. In addition to the risks associated with the Chinese market and risks related to investments in RMB, investments through the Stock Connect are subject to additional risks, namely, quota limitations, suspension risk, operational risk, restrictions on selling imposed by front-end monitoring, recalling of eligible stocks, clearing and settlement risks, nominee arrangements in holding China A-shares and regulatory risk.• The Sub-Fund may invest into underlying funds which use or invest in FDIs, and it is possible that the Sub-Fund's NAV may be subject to volatility due to the Sub-Fund's and/or the relevant underlying funds' usage or investment in FDIs.• You should be aware that your investment in the Sub-Fund may be exposed to other risks of an exceptional nature from time to time.

** The management fee charged by each underlying fund that the Sub-Fund invests in, is currently borne by the Manager.															
VALUATIONS AND EXITING FROM THIS INVESTMENT															
HOW OFTEN ARE VALUATIONS AVAILABLE? The issue price and realisation price of Units will be available on the Business Day following each Dealing Day. You may check such prices on the Manager's website (www.nikkoam.com.sg).	Refer to Para 30.11, 30.12, Section XIII and Section XVI of the Prospectus for further information on valuation and exiting from the product.														
HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?															
<u>Cancellation of Units</u> If applicable to you, you may cancel your subscription for Units by sending a cancellation request to the Manager through the approved distributor from whom you purchased your Units within 7 calendar days from the date of your subscription or purchase of the Units. Any Initial Sales Charge paid will be refunded to you. However, you will have to take the risk for any price changes in the NAV of the relevant Class since you purchased the Units.															
<u>Realisation of Units</u> You can exit the Sub-Fund by completing a realisation request and forwarding the same to the Manager through the approved distributor from whom you purchased your Units. If you are an institutional investor who had purchased your Units directly from the Manager, you may submit your realisation request to the Manager. If your realisation request is received and accepted by 5 p.m. on a Dealing Day, you will be paid a price based on the value of the Sub-Fund for that Dealing Day. If your realisation request is received and accepted after 5 p.m., you will be paid a price based on the value of the Sub-Fund on the immediate following Dealing Day. The realisation proceeds that you will receive are calculated by multiplying the number of Units to be realised by the realisation price, less any applicable charges. An example is as follows:															
<table><tr><td>Units to be realised</td><td>x</td><td>Realisation price</td><td>=</td><td>Realisation proceeds</td></tr><tr><td></td><td></td><td>(i.e. NAV per Unit)</td><td></td><td></td></tr><tr><td>1,000</td><td>x</td><td>\$1.050</td><td>=</td><td>\$1,050</td></tr></table>		Units to be realised	x	Realisation price	=	Realisation proceeds			(i.e. NAV per Unit)			1,000	x	\$1.050	=
Units to be realised	x	Realisation price	=	Realisation proceeds											
		(i.e. NAV per Unit)													
1,000	x	\$1.050	=	\$1,050											
Currently, there is no Realisation Charge payable. The cancellation or realisation proceeds will normally be paid within seven Business Days after the relevant Dealing Day subject to the provisions of the Trust Deed.
