VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The issue price and realisation price of Units will be available on the Business Day following each Dealing Day. You may check such prices on the Managers' website (www.nikkoam.com.sg).

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

Cancellation of Units

If applicable to you, you may cancel your subscription for Units by sending a cancellation request to the Managers through the approved distributor from whom you purchased your Units within 7 calendar days from the date of your subscription or purchase of the Units. Any Initial Sales Charge paid will be refunded to you. However, you will have to take the risk for any price changes in the NAV of the relevant Class since you purchased the Units.

Realisation of Units

You can exit the Sub-Fund by completing a realisation request and forwarding the same to the Managers through the approved distributor from whom you purchased your Units. If you are an institutional investor who had purchased your Units directly from the Managers, you may forward your realisation request to the Managers.

If your realisation request is received and accepted by 5 p.m. on a Dealing Day, you will be paid a price based on the value of the Sub-Fund for that Dealing Day. If your realisation request is received and accepted after 5 p.m., you will be paid a price based on the value of the Sub-Fund on the immediate following Dealing Day.

The realisation proceeds that you will receive are calculated by multiplying the number of Units to be realised by the realisation price, less any applicable charges.

An example is as follows:

Units to be realised	x	Realisation price (i.e. NAV per Unit)	=	Realisation proceeds
1,000	x	\$1.050	=	\$1,050

Currently, there is no Realisation Charge payable.

The cancellation or realisation proceeds will normally be paid within **seven** Business Days after the relevant Dealing Day on which the realisation request is received subject to the provisions of the Deed.

Refer to Para 31.1 and 31.2, Section XII and Section XV of the Prospectus for further information on valuation and exiting from the product.
