Nikko AM Shenton Short Term Bond Fund (S\$) – 17 April 2025

| The Managers have the absolute discretion to determine whether a distribution is to be made to Holders. The Managers may make capital distribution to Holders at such time as they deem fit in accordance with the Deed. Where distributions are paid out of capital of the Fund or the relevant Class, the capital and the NAV of the Fund or the relevant Class will be reduced and this will be reflected in the realisation price of the Units of the Fund or the relevant Class. The base currency of the Fund is SGD. You should note that the Units are Excluded Investment Products and prescribed capital markets products, and that the Fund is subject to the investment restrictions prescribed under the Notice on the Sale of Investment Products and Notice on Recommendations on Investment Products) Regulations 2018. | features of the product. |

| Investment Strategy | |
| The Fund undertakes an active approach to managing the trade-off between its liquidity needs and return. Through prudent duration management and careful credit selection, the Fund provides yield enhancement to fixed deposit returns. There is no target industry or sector and the Fund is not country-specific. | Refer to Para 6.1 of the Prospectus for further information on the investment strategy of the Fund. |
| Parties Involved | - |
| WHO ARE YOU INVESTING WITH? | Refer to Para 2 to |
| The Fund is a sub-fund of Nikko AM Shenton Short Term Bond Funds. The Managers are Nikko Asset Management Asia Limited. The Trustee is BNP Paribas Trust Services Singapore Limited. The Custodian is BNP Paribas, operating through its Singapore branch. | 4 of the Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent. |
| WHAT ARE THE KEY RISKS OF THIS INVESTMENT? | Refer to Para 7 of |
| You should be aware that the price of Units can go down as well as up. The value of the product and its dividends or coupons may rise or fall. The following are key risk factors that may cause you to lose some or all of your investment: Market and Credit Risks | the Prospectus for further information on risks of the product. |
| • You are exposed to market risk in the global markets. The price of | |
| securities comprised in the portfolio of the Fund and the Units, and the income from them, may be influenced by political and economic conditions, changes in interest rates, the earnings of the corporations whose securities are comprised in the portfolio, and the market's perception of the securities. You are exposed to interest rate and credit risks. Investments in debt securities are subject to interest rate fluctuations and credit risks, such as risk of default by the issuer, and are subject to adverse changes in general economic conditions, the financial condition of the issuer, or both, or an unanticipated rise in interest rates, which may impair the issuer's ability to | |
| make payments of interest and principal, resulting in a possible default by | |
| the issuer. You are exposed to currency risk. As investments of the Fund may be denominated in foreign currencies other than the base currency of the Fund or the Class Currency of the relevant Class within the Fund, fluctuations in | |

| the exchange rates of these foreign currencies may have an impact on the value of the Units of the Fund. | | |
|--|--|--|
| • You are exposed to currency hedged Class risk. For currency hedged | | |
| Classes, the Managers may engage in currency hedging transactions to | | |
| reduce exchange rate fluctuations between the Class Currency of the | | |
| relevant hedged Class and the base currency of the Fund. | | |
| Liquidity Risks | | |
| The Fund is not listed and you can redeem only on Dealing Days. | | |
| Product-Specific Risks | | |
| You are exposed to foreign securities risk. The investments of the Fund may be affected by political instability, exchange controls, changes in taxation, foreign investment policies and other restrictions and controls. You are exposed to derivatives risk. The Managers may invest in financial derivative instruments ("FDIs") for the purposes of hedging and/or efficient portfolio management. As at the date of registration of the Prospectus, the Managers only use FDIs for purposes of hedging and/or efficient portfolio management. Derivatives involve risks different from, and in some cases, greater than, the risks presented by more traditional investments. Some of the risks associated with derivatives are market risk, management risk, credit risk, liquidity risk, moratorium risk, capital control risk, tax risk and leverage risk. The Fund may invest into underlying funds which use or invest in FDIs, and it is possible that the Fund's NAV may be subject to volatility due to the Fund's or the relevant underlying fund's usage or investment in FDIs. You should be aware that your investment in the Fund may be exposed to other risks of an exceptional nature from time to time. | | |

| | HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO? | | |
| <u>Cancellation of Units</u> If applicable to you, you may cancel your subscription for Units by sending a cancellation request to the Managers through the approved distributor from whom you purchased your Units within 7 calendar days from the date of your subscription or purchase of the Units. Any Initial Sales Charge paid will be refunded to you. However, you will have to take the risk for any price changes in the NAV of the Fund or the relevant Class since you purchased the Units. | | | |
| Realisation of Units You can exit the Fund by submitting a written realisation request to the Managers through the approved distributor from whom you purchased your Units. If you are an institutional investor who had purchased your Units directly from the Managers, you may submit your realisation request to the Managers. | | | |
| If your realisation request is received and accepted by 5 p.m. Singapore time on a Dealing Day, your Units will be realised at the realisation price for that Dealing Day. If your realisation request is received and accepted after 5 p.m. Singapore time, your Units will be realised at the realisation price for the next Dealing Day. | | | |
| The realisation proceeds that you will receive are calculated by multiplying the number of Units to be realised by the realisation price, less any applicable charges. There is currently no realisation charge imposed. An example is as follows: | | | |
| Units to be realised x Realisation Price = Realisation Proceeds 1,000 x \$1.05000 = \$1,050.00 | | | |
| The cancellation or realisation proceeds will normally be paid within seven Business Days after the relevant Dealing Day on which the cancellation or realisation request is received unless realisation of Units has been suspended in accordance with the Prospectus. | | | |
